

From the Desk of the chief editor

Dear Readers/Authors,

It gives me immense pleasure to present you Volume 3, Issue 2 of our journal which has completed its third year production cycle with great success. I am highly privileged to be the Editor-in-Chief of our prestigious half yearly journal, *Pesquisa*, which has already completed 5 regular issues with this. This year we have updated the peer review process by following the observations of a few international Indexing agencies. We are on the way to get our journal indexed international so that it finds a place with other high quality journals in the world.

The International Journal *Pesquisa*, being multi-disciplinary in approach, welcomes submissions that explore the possibility of a wide range of subjects. Appropriate submissions could include general survey research, attitudinal measures, investigations into broad societal issues, or any number of empirical approaches that fit within the general umbrella provided by the journal. Authors are invited to submit their work at any time throughout the year and should carefully review the submission criteria and requirements.

Pesquisa, the peer reviewed Multidisciplinary Journal, maintains rigorous peer-review standards. If you have a submission that you believe meets our criteria, we encourage you to consider *Pesquisa* as an outlet for your academic research. Last, the success of any journal is built primarily on four groups of people: the contributors, the reviewers, the associate editors, and the publications staff. I would like to thank all of them and express my sincere appreciation for the support they have given to *Pesquisa* time and again.

With Regards,

Dr. Johnson V
